EXPLANATORY STATEMENT
(PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013.)

EXPLANATORY STATEMENT
(Pursuant to Section 102 of the Companies Act, 2013)

As required by Section 102 of the Companies Act, 2013, the following Explanatory Statement sets out all material facts relating to the Special Business mentioned in the accompanying notice.

Item No. 3

As per the amended SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 amended through SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, a new regulation 17(1A) was incorporated specifying therein that no listed Company shall appoint a person as a non executive Director who has attained the age of 75 years unless Special Resolution is passed to that effect, in which case the explanatory statement annexed to notice for such motion shall indicate the justification for appointing such a person.

Shri G B Rao's tenure of his previous appointment as a Non-Executive Independent Director of the Company for five years is expiring on 25th September, 2019. He has attained the age of 75 years.

Keeping in view the recommendations of the Nomination and Remuneration Committee recommending his re-appointment, the Board at its Meeting held on May 15, 2019 re-appointed him as a Non-Executive Independent Director of the Company , not liable to retire by rotation, for a period of three years from the conclusion of 43rd Annual General Meeting in 2019 to the conclusion of 46th Annual General Meeting in 2022 subject to approval of his appointment at the Annual General Meeting.

Shri G B Rao has all along been making useful, forward looking and valuable contribution to the governance aspects and business of the Company at the meeting of the Board and Committees over these years and his continuance would be in the interest of the Company.

Shri G B Rao, being the proposed appointee, is interested and concerned in the Resolution set out at item No 3. None of the other Directors / Key Managerial Personnel of the company / their relatives are, in any way concerned or interested, financially or otherwise, in the Resolution set out at Item No. 3 of the Notice.

The Board commends passing of the Special Resolution set out in Item No 3 of the Notice.

Item No 4

As per the amended SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 amended through SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, a new regulation 17(1A) was incorporated specifying therein that no listed Company shall appoint a person as a Non-Executive Director who has attained the age of 75 years unless Special Resolution is passed to that effect, in which case the explanatory statement annexed to notice for such motion shall indicate the justification for appointing such a person.

Shri H C Dua's tenure of his previous appointment as a Non-Executive Independent Director of the Company for five years is expiring on 25th September, 2019. He has attained the age of 75 years.

Keeping in view the recommendations of the Nomination and Remuneration Committee recommending his re-appointment, the Board at its Meeting held on May 15, 2019 re-appointed him as a Non-Executive Independent Director of the Company , not liable to retire by rotation, for a period of three years, from the conclusion of 43rd Annual General Meeting in 2019 to the conclusion of 46th Annual General Meeting in 2022 subject to approval of his appointment at the Annual General Meeting.

Shri H C Dua has all along been making useful, forward looking and valuable contribution to the governance aspects and business of the Company at the meeting of the Board and Committees over these years and his continuance would be in the interest of the Company.

Shri H C Dua, being the proposed appointee, is interested and concerned in the Resolution set out at item No 4. None of the other Directors / Key Managerial Personnel of the company / their relatives are, in any way concerned or interested, financially or otherwise, in the Resolution set out at Item No. 4 of the Notice.

The Board commends passing of the Special Resolution set out in Item No 4 of the Notice.

Item No 5

Section 152 of the Companies Act, 2013 enjoins upon the Company to ensure that two thirds of total number of Directors (2 directors in case of our Company excluding independent directors) shall be those persons whose period of office shall liable to determination by retirement of Directors by rotation.

Keeping in view of the provisions of the Companies Act, 2013, and subject to approval of the Members of the Company at the ensuing Annual General Meeting, the Board of Directors at their Meeting held on May 15, 2019 made a variation in terms of appointment of Smt. Sharmila Dalmia , Woman Director and it is proposed that she shall now hold such office as Director liable to retire by rotation.

Save and except Smt. Sharmia Dalmia and Shri Gaurav Dalmia, none of the Key Managerial Persons / their relatives / Directors of the Company is in, in any way concerned or interested financially or otherwise in the Resolution set out at Item No.5 of the Notice.

The Board commends passing of the Ordinary Resolution set out in Item No 5 of the Notice.

Notes:

1. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON A POLL ON HIS BEHALF AND SUCH PROXY NEED NOT BE A MEMBER OF COMPANY. A PROXY MAY BE SENT IN THE FORM ENCLOSED AND IN ORDER TO BE EFFECTIVE MUST REACH THE REGISTERED OFFICE OF COMPANY AT LEAST 48 HOURS BEFORE THE COMMENCEMENT OF THE MEETING. ANNEXURE - B TO THE BOARD'S REPORT

FORM NO. MR-3 SECRETARIAL AUDIT REPORT (For the Financial Year ended 31st March, 2018)

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members
Landmark Property Development Company Limited
11th Floor, Narain Manzil, 23,
Barakhamba Road,
New Delhi- 110001

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Landmark Property Development Company Limited. The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of books, papers, minute books, forms and returns filed and other records maintained by Landmark Property Development Company Limited (hereinafter called "the Company"/ "LPDCL") and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on March 31, 2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. I have examined the books, papers, minute books, forms and returns filed and other records maintained by LPDCL for the period ended on March 31, 2019 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the Rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws frame dthereunder;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009. (Not Applicable to the Company during the Audit period);
 - (d) Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014. (Not Applicable to the Company during the Audit period);
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008. (Not Applicable to the Company during the Audit period);
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not Applicable to the Company during the Audit period);
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (Not Applicable to the Company during the Audit period);
 - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India (ICSI).
- (ii) The Listing Agreements entered into by the Company with Bombay Stock Exchange and National Stock Exchange;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

It may be noted that the Principal business of the Company is to provide consultancy, advisory services and real estate activities. The Company has informed us that therefore it is not required to maintain Cost Records for its business activities.

2. I further report that:

- a. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.
- b. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- c. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- d. Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines mentioned above at para 1 and the following laws applicable to the Company:

1. The Shops and Establishments Act;
2. Payment of Bonus Act, 1965;

5. Employees' State Insurance Act, 1948;
6. Income Tax Act, 1961;
7. Service Tax Rules;
8. Goods and Services Tax Act, 2017

I further report that the Company has, in my opinion and subject to the above mentioned observations, during the audit period complied with the provisions of the Companies Act, 2013 and the Rules made under that Act, as notified by Ministry of Corporate Affairs and the Memorandum and Articles of Association of the Company, with regard to:

- a) Maintenance of various statutory registers and documents and making necessary entries therein;
- b) Closure of the Register of Members;
- c) Forms, returns, documents and resolutions required to be filed with the Registrar of Companies and the Central Government;
- d) Service of documents by the Company on its Members, Auditors and the Registrar of Companies;
- e) Notice of Board meetings and Committee meetings of Directors;
- f) The meetings of Directors and Committees of Directors including passing of resolutions by circulation;
- g) Holding of Annual General Meeting;
- h) Recording minutes of proceedings of General Meetings and of the Board and its Committee meetings;
- i) Obtaining approvals of the Members, the Board of Directors, the Committees of Directors and the government authorities, wherever required;
- j) Constitution of the Board of Directors / Committee(s) of Directors, appointment, retirement and reappointment of Directors including the Managing Director;
- k) Payment of sitting fees to Directors;
- l) Appointment and remuneration of Auditors;

ANNEXURE - D TO THE BOARD'S REPORT NOMINATION AND REMUNERATION POLICY

Introduction:

In terms of the provisions of the Companies Act, 2013 and the listing agreement as amended from time to time, this policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated by the Committee and approved by the Board of Directors.

The Remuneration Policy of Landmark Property Development Company Limited (the "Company") is designed to attract, motivate and retain manpower. The key objective of the Policy is to enable a framework that allows for competitive and rewards for the achievements of key deliverables and also aligns with practice in the industry and shareholders expectations. The policy reflects the Company's objectives for good corporate governance as well as sustained long-term value creation for shareholders.

Objective and purpose of the Policy:

To lay down criteria and terms and conditions with regard to identifying persons who are qualified to become Directors (Executive and Non-Executive) and persons who may be appointed in Senior Management and Key Managerial positions and to determine their remuneration.

To determine remuneration based on the Company's size and financial position and trends and practices on remuneration prevailing in peer companies, in the real estate industry.

To carry out evaluation of the performance of Directors, as well as Key Managerial and Senior Management Personnel.

To provide them reward linked directly to their effort, performance, dedication and achievement relating to the Company's operations.

To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage. In the context of the aforesaid criteria the following policy has been formulated by the Nomination and Remuneration Committee and adopted by the Board of Directors at its meeting held on 4th August, 2014.

The Policy is applicable to:

- Directors (Executive and Non Executive)
- Key Managerial Personnel
- Senior Management Personnel

The Nomination and Remuneration Committee shall:

- Formulate the criteria for determining qualifications, positive attributes and independence of a director.
- Identify persons who are qualified to become Director and persons who may be appointed in Key Managerial and Senior Management positions in accordance with the criteria laid down in this policy.
- Recommend to the Board, appointment and removal of Director, KMP and Senior Management Personnel.

Remuneration for the Whole Time Director, KMP and Senior Management Personnel:

1. The remuneration / compensation / commission etc. to the Whole-time Director/ Managing Director, KMP and Senior Management Personnel will be determined by the Committee and recommended to the Board for approval. The remuneration / compensation / commission etc. shall be subject to the prior/post approval of the shareholders of the Company and Central Government, wherever required.
2. The remuneration and commission to be paid to the Whole-time Director/ Managing Director shall be in accordance with the percentage/ slabs / conditions laid down in the Articles of Association of the Company and as per the provisions of the Companies Act, 2013, and the rules made thereunder.
3. Increments to the existing remuneration / compensation structure may be recommended by the Committee to the Board which should be within the slabs approved by the Shareholders in the case of Whole-time Director.
4. Where any insurance is taken by the Company on behalf of its Whole-time Director/ Managing Director, Chief Executive Officer, Chief Financial Officer, the Company Secretary and any other employees for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel. Provided that if such person is proved to be guilty, the premium paid on such insurance shall be treated as part of the remuneration.

Remuneration Balance:

- A **fixed base salary**, set at a level aimed at attracting and retaining executives with professional and personal competences required to drive the Company's performance.
- **Short-term incentives**, based on the achievement of a number of individual, pre-defined financial and strategic business targets recommended by the Committee and approved by the Board of Directors and can under normal circumstances not exceed 25% of the fixed base salary.
- **Long-term incentives** in the form of stock options, promoting a balance between short-term achievements and long-term thinking. However the Directors should not participate in the stock options.

1. Fixed pay:

The Whole-time Director / Managing Director / KMP and Senior Management Personnel shall be eligible for a monthly remuneration as may be approved by the Board on the recommendation of the Committee. The break up of the pay scale and quantum of perquisites including, employer's contribution to P.F, pension scheme, medical expenses, club fees etc. shall be decided and approved by the Board on the recommendation of the Committee and approved by the shareholders and Central Government, wherever required.

2. Minimum Remuneration:

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Whole-time Director in accordance with the provisions of Schedule V of the Companies Act, 2013 and if it is not able to comply with such provisions, with the previous approval of the Central Government.

3. Provisions for excess remuneration:

If any Whole-time Director /Managing Director draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he / she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration to Non- Executive / Independent Director:

1. Remuneration / Commission:

The remuneration / commission shall be fixed as per the slabs and conditions mentioned in the Articles of Association of the Company and the Companies Act, 2013 and the rules made thereunder.

2. Sitting Fees:

The Non- Executive / Independent Director may receive remuneration by way of fees for attending meetings of Board or Committee thereof. Provided that the amount of such fees shall not exceed Rs. One lakh per meeting of the Board or Committee or such amount as may be prescribed by the Central Government from time to time.

3. Commission:

Commission may be paid within the monetary limit approved by shareholders, subject to the limit not exceeding 1% of the profits of the Company computed as per the applicable provisions of the Companies Act, 2013.

4. Stock Options:

An Independent Director shall not be entitled to any stock option of the Company.

Disclosure of Information

Information on the total remuneration of members of the Company's Board of Directors, Executive Board of Management and senior management may be disclosed in the Company's annual financial statements. This includes any deferred payments and extraordinary contracts during the preceding financial year.

Approval of the Remuneration Policy

This Remuneration Policy shall apply to all future employment agreements with members of Company's Senior Management including Key Managerial Person and Board of Directors. The Remuneration Policy is binding for the Board of Directors including its provisions on stock options. In other respects, the Remuneration Policy shall be of guidance for the Board. Any departure from the policy shall be recorded and reasoned in the Board's minutes.

Dissemination

The Company's Remuneration Policy shall be published on its website.

Report on the Audit of the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of **LANDMARK PROPERTY DEVELOPMENT COMPANY LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss (including the statement of Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements including summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, and its profit including other comprehensive income, changes in equity and its cash flows and for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Emphasis of Matter

We draw attention to Note 35 to the financial statements regarding business transfer agreement dated 2nd April, 2012 and the matter therein. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of significance in our audit of the Ind AS financial Statements of the current period. We have determined that there are no key audit matter to communicate in our report.

Information other than the Ind AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in Paragraphs 3 and 4 of the Order.

Annexure “B” To the Independent Auditor’s Report

Annexure referred to in paragraph 2(f) under the heading “Report on other legal and regulatory requirements” of our report of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **LANDMARK PROPERTY DEVELOPMENT COMPANY LIMITED** (“the Company”) as of March 31, 2019 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1.2 Statement of Significant Accounting Policies

a) Statement of compliance

The financial statements have been prepared in accordance of Indian Accounting Standards (IndAS) as per the Companies Act 2013 (the "Act") and other relevant provisions of the Act.

The financial statements were authenticated by the Company's Board of Directors on 15th May, 2019.

Note : Application of New and revised Ind ASs

As at the date of authorisation of the financial statements, the Company has not applied the following revisions to the Ind AS that have been issued by MCA but are not yet effective:

IND AS 116 Leases :

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the less or accounting requirements in Ind AS 17. The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019.

The standard permits two possible methods of transition:

Full retrospective – Retrospectively to each prior period presented applying Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors

Modified retrospective – Retrospectively, with the cumulative effect of initially applying the Standard recognized at the date of initial application.

Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as:

payments, discounted at the incremental borrowing rate and the right of use asset either as:

- Its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date of initial application or borrowing rate at the date of initial application or

- An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application. Certain practical expedients are available under both the methods.

On completion of evaluation of the effect of adoption of Ind AS 116, the Company is proposing to use the 'Modified Retrospective Approach' for transitioning to Ind AS 116 - Leases.

The effect on adoption of Ind AS 116 would be insignificant in the company's financial statements.

Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments :

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible methods of transition - i) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives.

The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the standard on April 1, 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives.

The effect on adoption of Ind AS 12 Appendix C would be insignificant in the company's financial statements.

Amendment to Ind AS 12 – Income taxes :

On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any impact on account of this amendment.

Amendment to Ind AS 19 – plan amendment, curtailment or settlement-

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and

- to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any impact on account of this amendment.

Revenue Recognition

The Company derives revenue primarily from sale of land, Plots, Flats etc and from Advisory Services

Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative catch up transition method, applied to contracts that were not completed as of April 1, 2018. In accordance with the cumulative catch-up transition method, the comparatives have not been retrospectively adjusted. The following is a summary of new and/or revised significant accounting policies related to revenue recognition. The effect on adoption of Ind AS 115 was insignificant as the revenue is of short term nature and performance obligations are satisfied upon delivery of service/goods.

Revenue is measured at the transaction price. Revenue is reduced for returns, trade allowances for deduction, rebates, Goods and Service taxes and amounts collected on behalf of third parties.

Revenue from advisory services

Revenue from advisory services is recognised over the time based on the completion stage of performance obligation.

Revenue from sale of Land , Plots , Flats etc.

The sale of Land ,plots ,flats is recognized at a point in time when the control of the Land,Plots,Flats etc are transferred or handing over possession to the buyer

Interest

Interest on bank deposits/loans is recognized on time proportion basis. Interest on Post Office Savings Bank Accounts is accounted for as and when received.

Dividend

Dividend income from investments is recognised when the right to receive payments has been established (provided that it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably)

b) Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

Historical Cost is generally based on the fair value of the consideration given in exchange of goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company taken into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the assets or liabilities either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

c) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost (or revalued amounts, as the case may be), less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any attributable cost of bringing the property, plant and equipment to its working condition for its intended use. Borrowing costs relating to acquisition of property, plant and equipment which takes substantial

period of time to get ready for its intended use are also included to the extent they relate to the period till such property, plant and equipment are ready to be put to use.

The cost of an item of property, plant and equipment is the cash price equivalent at the recognition date. If payment is deferred beyond normal credit terms, the difference between the cash price equivalent and the total payment is recognised as interest over the period of credit, unless such interest is capitalised as per borrowing cost.

The Company identifies and determines separate useful life of each major component of the property, plant and equipment, if they have useful life that is materially different from that of the remaining asset, as per Schedule II of Companies Act, 2013.

d) Depreciation on Property, Plant and Equipment

Depreciation on all of the property, plant and equipment is provided using the Written Down Value method at the useful life as prescribed by Schedule II of the Companies Act, 2013.

The management believes that depreciation rates currently used fairly reflect its estimates of the useful lives and residual values of property, plant and equipment.

Assets	Useful Life of property, plant and equipment as per Schedule II
Plant & Machinery :	15 years
Office Equipments	
Office equipments	5 Years
Air conditioning plant & air conditioners	5 Years
Computers & Data Processing Units	3 Years
Furnitures & Fittings	10 Years

e) Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost less accumulated amortisation and accumulated impairment losses, if any. Cost is the amount of cash or cash equivalents paid or the fair value of other consideration given to acquire an asset at the time of its acquisition or construction, or, when applicable, the amount attributed to that asset when initially recognised in accordance with the specific requirements of other Indian Accounting Standards.

Software

Cost of software is amortized over a period of 3 years being the estimated useful life as per the management estimates.

The cost of intangible assets are amortized on a WDV Method over their estimated useful life of three years. However intangible assets costing less than Rs. 10,000/- are fully amortized in the year of acquisition.

f) Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an property, plant and equipment that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective property, plant and equipment. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

g) Impairment

At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication based on internal/ external factors that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of profit and loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement of profit and loss.

h) Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Where the Company is the lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased items are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

Leases where the lessor effectively transfers substantially all the risks and benefits of ownership of the asset are classified as finance leases and are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in the statement of profit and loss. Lease management fees, legal charges and other initial direct costs of lease are capitalized.

Where the Company is the lessor

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in PPE. Rental income on operating lease is recognized in the statement of profit and loss on a straight-line basis over the lease term. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the company's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

Costs, including depreciation, are recognized as an expense in the statement of profit and loss. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased assets and recognised on a straight line basis over the lease term.

i) Inventories

Stock in trade- finished goods and partly finished goods are valued at cost or net realizable value which ever is lower.

Land and plots other than area transferred to constructed properties at the commencement of construction are valued at lower of cost/ approximate average cost/ as re-valued on conversion to stock and net realisable value. Cost includes land (including development rights and land under agreement to purchase) acquisition cost, borrowing cost, estimated internal development costs and external development charges.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

j) Foreign currency transactions

In preparing the financial statements, transaction in currencies other than the Company's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions.

At the end of each reporting period

- i) Monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date,
- ii) Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.
- iii) Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

Exchange differences on monetary items are recognized in the statement of profit and loss in the period in which they arise except exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as adjustment to interest costs on those foreign currency borrowings.

k) Employees Benefits

Short term employee benefits

Employee benefits payable wholly within twelve months of receiving services are classified as short-term employee benefits. These benefits include salary and wages, bonus and exgratia. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by the employees.

Post employment benefits

Defined contribution plans

A defined contribution plan is post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes specified contributions towards employee provident fund to Government administered provident fund scheme. The Company's contributions are recognized as an expense in the statement of profit and loss during the period in which the employee renders the related service.

Defined benefit plans

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned and returned for services in the current and prior periods; that benefit is discounted to determine its present value. The calculation of Company's obligation under the plan is performed periodically by a qualified actuary using the projected unit credit method.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in the statement of profit and loss.

Compensated absences

The employees can carry-forward a portion of the unutilized accrued compensated absences and utilize it in future service periods or receive cash compensation on termination of employment. Since the employee has unconditional right to avail the leave, the benefit is classified as a short term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method.

l) Income taxes

Income tax expense represents the sum of the tax currently payable and deferred tax.

i) Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Group operates.

ii) Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax is measured based on tax rates and tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities. Deferred tax assets are recognized only to the extent, that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that is no longer probable that sufficient taxable profits will be available to allow all part of assets to be recovered.

Deferred tax is measured based on tax rates and tax laws enacted or substantively enacted by the end of the reporting period. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities.

iii) Current and deferred tax for the year

Current and deferred tax are recognized in the statement of profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

m) Earnings Per share

Basic earnings per share is being calculated by dividing net profit or loss for the year (including prior period items, if any) attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

n) Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set-out in the Act. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

o) Financial Instrument

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets

Investment in mutual funds

Investment in mutual funds are measured at fair value through Profit and Loss (FVTPL).

Classification of financial assets

Financial Assets that meet the following conditions are subsequently measured at amortised cost (except for financial assets that are designated as at fair value through profit or loss on initial recognition) :

- i) the assets is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- ii) the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for financial assets that are designated as at fair value through profit or loss on initial recognition):

- i) the assets is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- ii) the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognised in profit or loss for FVTOCI financial assets. For the purposes of recognising foreign exchange gains and losses, FVTOCI financial assets are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortised cost are recognised in profit or loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income and accumulated under the heading of 'Reserve for financial assets through other comprehensive income'. When the investment is disposed of, the cumulative gain or loss previously accumulated in this reserve is reclassified to profit or loss.

All other financial assets are subsequently measured at fair value.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "Other income" line item.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, lease receivables, trade receivables, and other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit impaired financial assets). The Company estimates cash flows by considering all contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) through the expected life of that financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

If the Company measured loss allowance for a financial instrument at lifetime expected credit loss model in the previous period, but determines at the end of a reporting period that the credit risk has not increased significantly since initial recognition due to improvement in credit quality as compared to the previous period, the Company again measures the loss allowance based on 12-month expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 115, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward looking information.

The impairment requirements for the recognition and measurement of a loss allowance are equally applied to debt instruments at FVTOCI except that the loss allowance is recognised in other comprehensive income and is not reduced from the carrying amount in the balance sheet.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

Foreign exchange gains and losses

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period. For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in statement of profit & loss since there are no designated hedging instruments in a hedging relationship.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or then the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- i) it has been incurred principally for the purpose of repurchasing it in the near term; or
- ii) on initial recognition it is part of a portfolio of identified financial instruments that the company manages together and has a recent actual pattern of short-term profit-taking; or
- iii) it is a derivative that is not designated and effective as a hedging instrument.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognised in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognised in profit or loss. The remaining amount of change in the fair value of liability is always recognised in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognised in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to profit or loss.

Gains or losses on financial guarantee contracts and loan commitments issued by the Company that are designated by the Company as at fair value through profit or loss are recognised in profit or loss.

Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by a group entity are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- i) the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- ii) the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS115.

Commitments to provide a loan at a below-market interest rate

Commitments to provide a loan at a below-market interest rate are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- i) the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- ii) the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS115.

Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in 'Other income'.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognised in profit or loss.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in statement of profit & loss.

p) Provisions & Contingencies

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

q) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by occurrence or non-occurrence of one or more of uncertain future events beyond the control of company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the an obligation. A contingent liability also arises in the extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably its existence in the financial statements. Company does not recognize the contingent liability but disclosed its existence in financial statements.

r) Cash and Cash Equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise of cash at bank and cash in hand and short-term investments with an original maturity of three months or less. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet and forms part of financing activities in the cash flow statement. Book overdraft are shown within other financial liabilities in the balance sheet and forms part of operating activities in the cash flow statement.

s) Cash dividend and non-cash distribution to equity holders of the parent

The Company recognises a liability to make cash or non cash distribution to equity holders of the parent when the distribution is authorised and the distribution is no longer at the discretion of the company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

Non-cash distribution are measured at fair value of the assets to be distributed with fair value re-measurement recognised directly in equity.

Upon distribution of non-cash assets, any difference between the carrying amount of the liability and carrying amount of the assets distributed is recognised in the statement of profit and loss.

25 Segmental Reporting

Operating segments

Ind AS 108 "Operating Segment" ("Ind AS 108") establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. Based on the "management approach" as defined in Ind AS 108, Operating segments are to be reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM evaluates the Company's performance and allocates resources on overall basis. The Company's sole operating segment is therefore primarily Real Estate Development (including Advisory services). Accordingly, there are no additional disclosure to be provided under Ind AS 108.

ii) **Financial Risk Management Objectives**

The Company's Corporate Treasury function provides services to the business, co-ordinates access to domestic and international financial markets including market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

During the year the Company does not have any exposure from the international market and accordingly there is no foreign currency receivable and payable at the year end.

Market Risk

The Company's activities expose it primarily to the financial risks of changes in interest rates and foreign currency exchange rates.

a) **Foreign Currency risk management**

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are managed within approved policy parameters.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period is Nil.

b) **Interest Rate risk management**

The Company is not exposed to change in market interest rate risks as company is not borrowing funds . Company is only lending the funds at fixed rate of interest and accordingly there is no exposure to variance in market rate of interest .

c) **Liquidity risk management**

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves and by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Credit Risk

Credit Risk refers to risk of financial loss to the Company if a customer or a counter-party fails to meet its contractual obligations. The Company has following categories of financial assets that are subject to credit risk evaluation:

a) **Investment**

The Company has made investment in Deposit with banks, Post offices, Mutual funds etc. Funds are invested in accordance with the company's established Investment policy that includes parameters of safety, liquidity and post tax returns. Company avoids the concentration of credit risk by spreading them over several counterparties with good credit rating profile and sound financial position. The Company's exposure and credit ratings of its counterparties are monitored on an ongoing basis. Based on historical experience and credit profiles of counterparties, the company does not expect any significant risk of default.

b) **Trade Receivables**

Credit risk arising from trade receivables is managed in accordance with the Company's established policy with regard to credit limits, control and approval procedures. The company provides for expected credit losses on trade receivables based on a simplified approach as per Ind AS 109. Under this approach, expected credit losses are computed basis the probability of defaults over the lifetime of the assets. This allowance is measured taking into account credit profile of the customer, geographical spread, trade channels, past experience of defaults, estimates for future uncertainties etc.

Movement of trade receivables is Nil during the current year.

c) **Loans and Other financial assets**

Loans include inter-corporate loans including accrued interest and other financial assets. Based on historical experience and credit profiles of counterparties, the company does not expect any significant risk of default.

The Company's maximum exposure to credit risk for each categories of financial assets is their carrying values as at the reporting dates.

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The table below provides details regarding the undiscounted contractual maturities of significant financial liabilities as of March 31, 2019:
